

# Cream Cheese Icing

Yes, we know that most Southern homes have their version of cream cheese icing, and there's not much variability. But we wanted to make sure everyone knew about this treasure. There is something about a delicious cream cheese icing that makes sweet treats even more delectable. We recommend this recipe on Aunt Alisa's cinnamon rolls.

## Ingredients

- ½ cup butter, softened
- 8 ounces of cream cheese, softened
- 1 teaspoon vanilla
- 2 cups of powdered sugar, may need more

## Instructions

- ❖ Blend butter and cream cheese
- ❖ Add vanilla.
- ❖ Add powdered sugar a little at a time until it is the desired thickness for you. *(If you want it thicker, you can add more than 2 cups of powdered sugar.)*
