

# Hot Chocolate Mix

Yes, you can buy hot chocolate from the store, but this is so much fun to do with the kids, especially right before the whole family gathers for Christmas or, in the south, right before a snowstorm comes in. Have fun and add marshmallows, sprinkles, chocolate chips, whatever else makes it fun for the family. Find cute containers or a sticker, and this is a great way to make gifts.

## Ingredients

8 quarts powdered milk  
32 ounces Nesquik  
22 ounces Coffee-Mate powdered creamer  
1 pound powdered sugar  
hot water

## Instructions

- ❖ Mix all ingredients.
- ❖ Store in airtight container.
- ❖ Add  $\frac{1}{3}$  cup of mix to a coffee mug, then fill with hot water.
